High-resolution extra-large widescreen display with advanced presentation features

HP L2245w Flat Panel Monitor

HP is proud to introduce the newest addition to the Advantage series widescreen business monitor family. The super-sized HP L2245w 22-inch Widescreen LCD Monitor offers advanced performance and user comfort features in an elegant 22-inch diagonal wide-aspect screen designed for users who appreciate expansive widescreen viewing, wherever they work.

Impressive performance

Enjoy crisp, clear, high-resolution onscreen presentation from the 1000:1 contrast ratio, bright 300-nit screen, and 92% color gamut.[1] Additional features include: swivel feature - swivel the monitor panel left to right independent of turning the whole base; improved cable management - route cables cleanly down the sides and behind the monitor; power button disable - disable the power button to prevent users from turning off the monitor, if desired; power LED on/off control - disable the green power light on the front to minimize distractions; OSD menu rotation - rotate the menu into portrait orientation; Set Refresh - automatically optimize settings; HP Display Assistant - set theft deterrence features and adjust the display through software instead of the onscreen display (OSD).

Get comfortable

Find the most comfortable viewing position with 160-degree viewing angles, a height-adjustable base, tilt, swivel, and 90-degree pivot rotation features. The special low-point feature on the height adjustable stand lets you position the lower bezel flush with the desk or docking station if you prefer a low-sitting screen.

Enhanced compatibility

Toggle between legacy and developing graphics technology with connections that support analog or digital modes. The digital input with HDCP supports encrypted data content. Enjoy quick peripheral connectivity with the built-in USB hub.

Enjoy peace of mind

The HP L2245w monitor is fully tested and qualified for out-of-the-box functionality and compatibility with HP notebooks, desktops, thin clients, and workstations. The three-year limited warranty is backed by HP service and support from 65,000 IT service and support professionals in 160 countries around the world.
