HP Compaq LA2205wg 22-inch Widescreen LCD Monitor

Change how you view your work with the newly re-designed, energy-efficient HP Compaq LA2205wg 22-inch Widescreen LCD Monitor, which helps increase productivity and lower costs through advanced comfort and environmental design.

Work smart, not hard
Sit back and find a monitor position that is comfortable for you with 35° tilt adjusting, pivot head rotation, swivel and over 4.5 inches of height adjustability rising from the surface of the desk.

You may find close-to-the desk placement well suited to your comfort needs if you are shorter in stature or are looking through the bottom portion of your bifocals, trifocals or progressive lenses. Low placement is also perfect for children in educational settings. If you are taller in stature and want to maximize your neck and back comfort, simply add a riser under the stand.

In addition, a 3000:1 Dynamic Contrast Ratio, sharp resolutions to 1680 x 1050 and fast 5 ms response time [1] all deliver stunning views of your work while VGA and HDCP compliant DVI inputs, DisplayPort and integrated USB make advanced connectivity quick and easy.

Enjoy energy saving features
The HP Compaq LA2205wg is ENERGY STAR® qualified [2], has received an EPEAT™ Gold rating, is TCO 5.0 Certified and has many other features, including: a packaging alternative that uses materials with a lower environmental impact than EPS cushions; minimized power consumption through use of low power panel; 50% reduction in mercury over previous generation models; BFR and PVC free panel, cabinet and sheet metal; arsenic-free panel.

Customize with a range of options
HP offers a variety of optional products (each sold separately) to help you maximize your monitor investment, including: an HP Quick Release; an HP IWC Stand you can bundle with an HP Compaq dc7900 Ultra-slim Desktop PC or HP thin client (sold separately); an HP Speaker Bar; an HP USB Graphics Adapter.

Relax with HP reliability
Your business needs are covered with the HP Compaq LA2205wg. Each monitor has a three year limited warranty backed by HP service and support and is compatible with HP business products.
